

Box Hill Reporter Veterans Cricket Competition

Playing Rules & Regulations

Mission Statement

“ To develop, support and co-ordinate Over 40’s cricket through the provision of a Veterans competition utilising the Box Hill Reporter District Cricket Association and Eastern Cricket Association Club infra-structure.“

VETERANS CODE

The very word “Cricket” has lent itself to the English language as a term to incorporate all that is fair and honest in sport as well as life. For something to be seen as “not cricket”, implies circumstances outside the spirit, values or traditions of normal fair play.

In keeping with these traditions, the Ethos of Veterans Cricket demands that;

We will not place winning before enjoyment;

We respect our opponents, team mates and supporters at all times;

We always play within the laws, spirit and values of the sport of cricket;

We provide a hospitable and friendly environment for our guests;

We acknowledge that health and well being are of paramount importance;

We will display the maturity and leadership that befits our status as elder statesmen of our great sport:

If the forecast is for temperatures between 34-38 degrees, captains may shorten the match overs per side to 24/30 or organize an early start should they believe that is prudent. LIGHTNING

In the event of a thunderstorm and lightning, play shall cease immediately and all players and umpires shall retire to safe shelter without delay.

COMMON SENSE RULE

We are a social competition wherein our primary objective is the enjoyment and health considerations of our players. There may eventuate situations from time to time, where the strict adherence to the above rules disadvantage one or both teams. In these situations the rules shall be considered guidelines and may be waived / amended by a “Common Sense Agreement” by both participating captains in the spirit of cricket and sport.

Players are expected to play the game in true sportsmanlike manner in that it is incumbent upon the player to walk if he is aware that he has nicked the ball – Players should not place undue pressure on their team-mates umpiring capabilities or sensibilities.

Again I call on all captains to show leadership and common sense in these type of cases.
