- (a) Saturday Competition - All Grades – **50 overs** less two overs for every seven minutes delay to the start of play or interruption to play;
- (b) Super 7's (Saturday & Sunday), play is limited to **two (2) hours maximum**;

Further:

- (b) Team Managers/Coaches (and appointed Umpires) are responsible for keeping the rate of overs at an appropriate level;
- (c) If a late start occurs, play is interrupted or delayed due to weather etc, or for exceptional circumstances then overs are to be reduced accordingly (two overs for every seven minutes lost)

Failure to complete the required overs within the allowed time could be deemed a breach of the Rules and expose offending teams/clubs to a penalty as seen fit by the Junior Committee of Management.

16. COMPULSORY CLOSURE - ONE DAY MATCHES

16.1 If the start of play is not delayed, and if Team A's first innings is not interrupted, Team A's first innings is to be compulsorily closed after Team A has received **25 overs for Saturday and Twilight matches.**

16.2 If the start of play is delayed, or if Team A's first innings is interrupted, Team A's first innings is to be compulsorily closed after Team A has received:

- (a) Saturday Competition: All Grades – **25 overs** less two overs for every seven (7) minutes delay to the start of play or interruption of play (a minimum of 17 overs in an innings must be bowled to constitute a match);
- (b) Twilight Competition: All Grades – **25 overs** less two overs for every seven (7) minutes delay to the start of play or interruption of play (a minimum of 17 overs in an innings must be bowled to constitute a match).

16.3 Team B's first innings is to be compulsorily closed after it has received the same number of overs as Team A was entitled to receive before compulsory closure.

16.4 For the purposes of this Rule, an over that has not been completed will count as a completed over.

16.5 In One Day matches, Team B **DOES NOT** receive the unbowled overs where Team A is dismissed in less than the scheduled overs allocation.

- 17.2 If Team A's innings concludes before the maximum allowed overs (50) are bowled, e.g., Team A is dismissed in the 42nd Over, then Team B is entitled to the remaining whole overs (8), plus 50 overs in their innings i.e., Team B may bat for 58 Overs or until a 1st Innings result is achieved (whichever comes first).
- 17.3 If Team A's first innings was compulsorily closed, Team B's first innings is to be compulsorily closed after it has received the same number of overs as Team A received.
- 17.4 If on day one the start of play is delayed and/or Team A's first innings is interrupted, then Team A can complete its first innings on the second day. Completion of Team A's innings shall be when it has received half the total number of overs on the first day added to the number of overs to be bowled on the second day.

Example: **FRIDAY** - Team A receives 36 overs on the first day, it is therefore entitled to receive a further four overs on day two before Team B bats. $36+50 = 86/2 = 43$. Team B is to face 43 overs.

Example: **SATURDAY** - Team A receives 45 overs on the first day, it is therefore entitled to receive a further two overs on day two before Team B bats. $45+50 = 95/2 = 47.5$ or 47. Team B is to face 47 overs.

- 17.4 If on Day 1 of a Two Day match, Team A receives less than 10 overs, the match is deemed abandoned and shall be played as a One Day match the following week.

18. INTERVALS BETWEEN INNINGS AND DRINKS BREAKS

- 18.1 There will be a maximum of **TEN MINUTES** interval between innings in all matches.

 - (b) For Twilight matches starting at 4:45 p.m./5.00 p.m. – at 6.15 p.m. or at 25 overs (whichever occurs first)
- 18.3 In hot weather, extra drinks breaks may be taken at times agreed by the Team Managers/Coaches before the start of play and in accordance with the BHRDCA's "**Extreme Conditions Policy**" (Refer Attachment 3).
- 18.4 If a wicket falls during the last over before a scheduled drink break, the drinks break is to be taken immediately.

19. ABANDONMENT OF ROUND

- 19.1 Where more than 50% of scheduled Two Day games have been cancelled within a Grade on Day 1 due to extreme conditions (i.e.<10 have been bowled on Day 1), then the whole round for that Grade will be played as One Day matches on Day 2.
- 19.2 Where more than 50% of One Day games have been cancelled within a Grade due to extreme conditions (i.e.<10 have been bowled on Day 1), the whole round shall be deemed as abandoned and no match points will be allocated.

28.1 Matches results will be classed as a first innings tie, a first innings win, or a draw as follows:

- (a) **A first innings tie** will occur if Team B's first innings score is equal to Team A's first innings score, regardless of the number of overs Team B has received;
- (b) **Team B will be awarded a first innings win** if Team B's first innings score is greater than Team A's first innings score, regardless of the number of overs Team B has received;
- (c) **Team A will be awarded a first innings win** if Team A's first innings score is greater than Team B's first innings score, and Team B has been dismissed or its first innings has been compulsorily closed;

- (c) for a Bye, where no points will be awarded if all teams have an equal number of byes during the home and away season.

NOTE: In grades where an **unequal number of Byes occur**, the final H & A Round Ladder points will be calculated by Match Points obtained / Matches Completed ratio

Example: In an 11 round season, Team A plays 9 matches, with 2 Byes, and wins 6 games and obtains a draw; Total Match points = 39 (6+6+6+6+6+3), Match ratio = **39/9 (4.33)**, while Team B plays 10 matches, with 1 Bye and wins 6 games, obtains a draw and loses 2 games; Total Match points = 39 (6+6+6+6+6+3+0+0); Match ratio = **39/10 (3.90)**; i.e. Team A with the higher Match ratio, despite having won 6 games, i.e. the same number of matches as Team B, will be placed higher on the Ladder

CODE OF BEHAVIOUR

It is hoped that all matches will be conducted in the true spirit of the game of cricket. Cricket is a game of skill associated with knowledge of the Rules. However, skills and knowledge are only part of the pleasure to be derived from playing the game.

Attitude and sportsmanship are vital ingredients.

To achieve this, Team Managers/Coaches are to adopt and enforce the following Code of Behaviour...

1. In-going and out-going batters are to cross on the field of play.
2. Bowlers will return to the start of their run-up in a timely manner and be ready to bowl without wasting time.
3. Players will maintain a standard of dress commensurate with the game's traditions, and team and individual equipment will be serviceable and well maintained.
4. Players will respect the Umpires by accepting decisions without dissent, and if possible, honestly assist the Umpires in the making of difficult decisions.
5. Team Managers/Coaches will co-operate with each other in the "running" of the game, including preparation of the pitch and surrounds for play.
6. Team Managers/Coaches will thoroughly brief their teams regarding what is expected of them in terms of behaviour both on and off the field.
7. Fielders will move in a timely manner between overs and whenever required to change position.
8. Team Managers/Coaches, Umpires and Captains will ensure that the setting and changing of the field is undertaken without wasting time.
9. Team Managers/Coaches, players and persons associated with junior teams will be courteous at all times to the Umpires and must not dispute or react in a disapproving manner, either towards an Umpire, their decision, or generally, after an umpiring decision is given. When given out, a batter will walk quickly from the crease, and will not dawdle off the field or indulge in any ill-mannered tantrums.
10. Team Managers/Coaches, players and persons associated with junior teams will not make unnecessary or uncomplimentary remarks towards opponents.
11. Remember that the visiting team and Umpires are guests and should be treated as such.

Good cricket is an attitude of mind.

Good sportsmanship is a part of the game of cricket.

INJURY CODE

1. Where a player suffers an injury which causes bleeding, the player will immediately retire from the game and First Aid will be administered to prevent further bleeding. The player will not resume playing unless the bleeding has stopped, or the wound has been securely covered.
2. All home teams will provide a First Aid Kit which will be available to both teams. The First Aid Kit will contain as a minimum – bandages, cotton wool, gauze, adhesive plaster, bandaids, butterfly closures, scissors, tweezers, antiseptic, disposable gloves, disposable plastic bags, and an ice pack.
3. The **Names, Addresses and Contact numbers** of a number of local Medical Clinics available to give emergency treatment during the course of a match will be included in each team's scorebook.

Attachment 3A – EXTREME CONDITIONS POLICY

Reference Service – The BHRDCA CoM shall identify and advise a specific reference service at the commencement of the season i.e. Melbourne Bureau of Meteorology (BoM) Website <http://www.bom.gov.au/vic/forecasts/melbourne.shtml> from which the forecast temperature (**at 8.00 a.m. on Match Day**) is considered as a basis for the implementation of this policy.

The BHRDCA Extreme Conditions Policy shall be implemented by the BHRDCA CoM when the temperature in Melbourne is forecast by the BoM <http://www.bom.gov.au/vic/forecasts/melbourne.shtml> **for Senior Shield Grades to reach 40°C (or over) during the normal hours of play (between 1.00 and 6.00 p.m.)**

In Senior non Shield Grades, the BHRDCA Extreme Conditions Policy shall be implemented by the BHRDCA CoM when the temperature in Melbourne is forecast by the BoM <http://www.bom.gov.au/vic/forecasts/melbourne.shtml> to reach 37°C (or over) during the normal hours of play (between 1.00 and 6.00 p.m.)

The policy applies to **Junior Section Grades** when the temperature for **Melbourne** is forecast by the BoM to reach **38°C** during the normal hours of play i.e. **Junior Section Grades** participating in Twilight matches between 5.00 and 8.15 p.m. and for Daylight matches between 8.30 and 11.45 a.m.

The policy applies to **Veteran Section Grades** when the temperature for **Melbourne** is forecast by the BoM to reach **38°C** during the normal hours of play i.e. **Veteran Section Grades** participating in Daylight matches between 1.00 and 6.00 p.m.

The decision to cancel any play shall be made at or before **7.00 a.m.** for Saturday/Sunday morning matches, **10.00 a.m.** on the morning of Saturday/Sunday afternoon matches and **2.00 p.m.** for Twilight matches.

Should the policy be implemented, notification shall be via the BHRDCA communication channels e.g. posted on the BHRDCA Website and via announcements on the BHRDCA Social Media network.

Drinks – Umpires, Captains (where Umpires are not present) for Senior and Veterans Grades; Team Managers and Coaches for Junior Grades may allow additional drink breaks without concern as to the extra time beyond the scheduled playing time. Any participant may call for additional drink breaks whilst batting, fielding or umpiring, although every effort should be taken to minimise when this occurs.

Bowlers may have drinks placed on the boundary line, which can be consumed at the completion of an over without disrupting play. It is recommended that when the Temperature exceeds 34°C that a minimum of two drinks breaks per session are taken.

Tea Break – Umpires, Captains (where Umpires are not present), Team Managers and Coaches in Junior Grades may schedule a longer break and play additional make up time after the scheduled time for stumps. This is entirely at the Umpires', Captains' and or Team Managers/Coaches discretion, but a consensus decision must be reached.

Player Rotation – After notifying their Captain and an Umpire (if present), a player may remove themselves from the field at any time for reasons of heat stress. If a team has more than the named eleven players, they may, after notifying the Umpire, rotate fieldsman to rest players in extreme conditions. Umpires and Captains in afternoon matches are to pay particular attention to juniors who have played cricket earlier in the day, for signs of heat stress.

Heat Stress - Any player observed to be suffering from heat stress is to be sent from the field by the Umpire, Captain or Team official immediately.

Shade – Clubs should provide shaded areas where the batting team, spectators and scorers may shelter.

Sun Protection – Players are reminded of the need for frequent applications of sunscreen and the use of long sleeved shirts to reduce exposure to the sun. Hats are an essential item and wide brimmed style is recommended, particularly on sunny days.

Lightning – Where an Umpire or Captain (where Umpires are not present) or a Team Official believes that lightning poses a threat to the safety of participants, play shall be suspended, and safe shelter taken. Any time lost for lightning shall be treated in the same manner as for extreme conditions.

Umpires – Where an Umpire feels that their health or judgment may suffer because of extreme conditions, they may take a break from their duties, after arranging an appropriate substitute.

First Aid – Club First Aid Kits must include aids for the treatment of heat affected participants. Every endeavour should be made to have a club member, who is properly skilled in the treatment of heat affected people, at home games. A notice should be prominently included in or displayed near the first aid kit, explaining treatment of heat affected patients.

Early Finish – If the extreme conditions exist in Senior or Veterans matches, both Captains, by agreement may call the game off early after there has been a first innings result, however, both Captains must agree to such an early finish.

Attachment 3B

AIR QUALITY POLICY

Last revised 1/11/2020

Air Quality, Pollution & Smoke – Players are reminded of the need for the safe breathing levels when adverse atmospheric conditions prevail – i.e. smog, smoke etc.

Prior to the commencement of play, should apparent adverse conditions exist a reading is to be obtained from the Melbourne Air Quality Index (<http://aqicn.org/melbourne>). This map overlay features air quality (**PM2.5 – Particulate Matter**) readings at measuring stations based at locations inclusive of Melbourne (CBD), Box Hill, Brighton, Dandenong and Mooroolbark.

When the **PM2.5** reading is **150+** at the nearest Air Quality location Site, play must be suspended immediately.

It is the responsibility of the officiating scorers/off field officials to check the air quality levels during the course of a match should adverse conditions escalate. Checks must occur every half hour if adverse conditions are apparent.

All Players & Officials should go inside a pavilion, and if no pavilion is conveniently accessible, play must be suspended.

If two successive **PM2.5** readings are **150+**, play must be abandoned immediately. **NOTE:** Captains can agree to abandon the match earlier.

If the reading at 9.30 a.m. on match-day (2.00 p.m. for Twilight matches) is **170+**, play will be abandoned for the day and communicated to all club administrators and Umpires and noted on the BHRDCA Website and Social Media outlets.

AUSPICES

Except as otherwise provided for in these Rules, Under 18 Friday Twilight Cricket will be conducted on Friday evenings as one or two day fixtures drawn by the BHRDCA Junior Executive Committee.

ATTIRE

Participants must comply with requirements of Junior Competition Rule 10

MATCH BALL

The ball must be a BHRDCA approved match ball of 156 grams weight in a colour or colours as specified by the Junior Executive Committee

PLAYING CONDITIONS

1. In these Rules a reference to ***“Team A”*** is a reference to the team batting first while ***“Team B”*** is the team batting second.
2. Any team must have at least seven players with a maximum of 13 players.
3. The ground is considered unfit for play when it is wet or slippery so as to deprive the bowlers of a reasonable foothold, the fielders of the power of free movement, or the batters of the ability to play their strokes or to run between the wickets. Play should not be delayed or suspended merely because the grass and the ball are wet and slippery.
4. Official BHRDCUA Umpire(s) will be appointed to each match; decisions about weather conditions allow for play to commence, resume or continue are the responsibility of the official Umpire. The batting team is to supply the Square Leg Umpire.
5. Where no official BHRDCUA Umpire is available, one Umpire is required to be provided by each club at all times, with the changes of ends resulting in a switch in controlling Umpires at each end
6. If a total of 60 minutes or less has been lost due to extreme conditions, bad light or exceptional circumstances delaying the start of play or interrupting play on one or more occasions, play may not be called off unless both team Captains agree to do so.
7. Play is to be cancelled as required in accordance with provisions of the BHRDCA ***“Extreme Conditions Policy”*** (Attachment 3A & 3B.)
8. If less than 10 overs are bowled on the first day of a Two Day match during the ***“Home and Away”*** season, unless Team A has been dismissed, that day’s play is to be cancelled and the match played as a One Day fixture on day two.

PLAYER ELIGIBILITY

1. Male players must not have attained the age of 18 years [20 years for female players] prior to 1st September preceding the current playing season.
2. Players’ registration, clearance, permit and other relevant eligibility requirements will be in accordance with the relevant Junior Competition Rule.
3. Under 18 players [i.e. Under 18 at 1 Sep] may interchange freely between Premier or Sub District cricket and the BHRDCA Under 18 Competition without need of a permit.
4. Inclusion of ineligible player(s) will result in the offending team being deemed to have forfeited.

START OF PLAY

1. All matches are scheduled to commence at 5.00 p.m. EDT but later [or earlier] start times are permissible giving due regard to the time of sunset and projected duration of the match. Such varied start times are to be arranged by agreement between competing clubs at least 24 hours in advance.
2. Notice of any such agreement must be advised by the home club to the BHRDCA Junior Section Manager no later than 8.00 p.m. on the evening prior to game-day. Should a dispute arise during negotiations between participating clubs then the BHRDCA Junior Section Manager is authorized to render a determination.

TWO DAY MATCHES

1. Overs are to be bowled from one end, alternating every five overs, to reduce playing time and avoid poor light conditions later in the evening.
2. For the purposes of this Rule, an over that has not been completed will count as a completed over.
3. If the start of play on the first day is not delayed and if Team A's 1st innings is not interrupted, Team A's 1st innings is to be compulsorily closed at the end of 50 overs play on day one, unless dismissed beforehand.
4. If the start of play on day one is delayed and/or Team A's first innings is interrupted, Team A's first innings is to be compulsorily closed on day two after Team A has received two overs for every 7 minutes lost on the first day less two overs for every 7 minutes delay or interruption on day two before compulsory closure.
5. If Team A's first innings was compulsorily closed, Team B's first innings is to be compulsorily closed after it has received the same number of overs as Team A received.
6. If team A's first innings is subject to loss of time on Day One it can be completed on the second day. Completion of team A's first innings shall be when it has received half "***the total number of overs on day one added to the number of overs to be bowled on day two***". Team B is entitled to face the remaining overs unless dismissed or the overs are further reduced by interruption.

Example: Team A receives only 34 overs on the first day and is therefore entitled to receive a further 8 overs on day two before Team B bats. $34+50 = 84/2 = 42$. Team B is entitled to face the remaining 42 overs.

ONE DAY MATCHES

1. Overs are to be bowled from one end, alternating every five overs, to reduce playing time and avoid poor light conditions later in the evening.
2. For the purposes of this Rule, an over that has not been completed will count as a completed over.
3. If the start of play is not delayed, and if Team A's first innings is not interrupted, Team A's first innings is to be compulsorily closed after Team A has received 25 overs, unless dismissed beforehand.
4. If the start of play is delayed, or if Team A's innings is interrupted it is to be compulsorily closed on receiving half the total number of overs calculated to remain after reducing the day's scheduled 50 overs by two for every full seven (7) minutes of playing time lost.
5. If the side batting first is dismissed in less than its scheduled overs, the side batting second is entitled to bat for a maximum of 25 overs (unless a result is achieved beforehand) whereupon the match must end.
6. Team B's innings is to be compulsorily closed after it has received the same number of overs as Team A was entitled to receive before compulsory closure.

SEMI FINALS AND GRAND FINALS

Semi Finals and Grand Finals are to be played as Two Day Games and conducted under the same Rules as Home and Away fixtures.

DRINKS BREAKS AND INTERVALS BETWEEN INNINGS

1. There will be a 10 minute interval between innings in all matches.
2. Unless there has been an interval between innings less than 15 minutes beforehand, a 10 minute drinks break is to be taken at the completion of the over in progress at 6.30 p.m. EDT [or at a comparable and mutually agreeable stage of the evening for games with a start time varied].
3. In hot weather, extra drinks breaks may be taken at times agreed by the Team Managers/Coaches/Captains before the start of play.

SPLIT INNINGS RULES

All Junior Grades except Under 18, Under 16A and Under 14A Grades playing Friday Twilight competitions will adopt the Split Innings format per the Rules within and those specified below.

The Split Innings format is simply where the first innings of each team is split across the two days' play.

NOTE: Any Split Innings match washed out on Day 2, will be a draw unless one team was previously dismissed on Day 1 and their score has been passed before the match is called off

The side batting first will bat for half of their allocated overs which means for 25 overs on a Friday night. Once they have faced their allotted overs, the opposition goes in and bats the same number of overs before close of play.

On day 2, Team 2 continues their innings through to their 50 overs on a Friday night as normal or until they are dismissed whereupon Team 1 resumes their innings at the point that they were on Day 1 and the game would continue as normal.

Rules pertaining to maximum overs per bowler and retirement scores for batters and still apply per the current Two Day match Rules.

If Team 1 is bowled out before reaching their allotted overs, Team 2 batting second can add the number of completed overs not faced to their allotted number when they bat. Similarly, if Team 2 is dismissed before reaching their allotted 50 Overs (Friday night), Team 1 is entitled to bat the extra overs not faced. *(Note: there is no loss of overs for an innings changeover)*

For example

1. Team 1 is dismissed in 19.2 overs batting first on day 1 – Team 2 are then entitled to bat 30 overs to see out day 1 and their normal 25 overs on the morning of day 2 (or until dismissed)
2. Team 1 bats their 25 overs and Team 2 are dismissed on day 2 after 37.4 overs (25 on Day 1 and 13 on Day 2), Team 1 then are entitled to bat for 37 overs to complete their innings when they resume.

NOTE:

After the end of each batting session on Day 1, the scorebook must be notated to show;

1. score at the end of the allotted split (25 overs e.g. 3 / 92);
2. not out batters and their score e.g. Jones 22* - Thomas 3*;
3. what end the last over was bowled from and by whom and which batter was on strike e.g. Pavilion end/Bowler Green / Striker Jones.

These details will be important on Day 2 ensuring bowling commences from the correct end with the correct batter on strike.

NOTE: Friday Night teams should note that all Grades shall bowl 5 Over Blocks from the one end before a change of end, to save time against fading light.
