FINALS FORMAT

The team finishing higher at the end of the round robin rounds shall host the respective final, with Semi Finals played 1 vs 4, 2 vs 3 and the winners progressing to the Grand Final (**NOTE:** In the Grade where 5 teams participate, a straight Grand Final between 1st & 2nd after the H & A season will be played), on the ground of the highest placed team.

Eligibility: Players participating in the final series must have played at least two matches in the preliminary rounds in **that Grade** or a **lower Grade**, i.e., must have played 2 or more games in a grade and cannot qualify having played 2 games across 2 grades.

Players: The principle governing the selection of players to the T20 grades is the same for the BHRDCA Senior competition; we would not expect to see a regular ~~Ray McIntosh~~ Shield player selected for a **lower T20 (e.g. 5th, 6th or 7th Grade)** team without a sound reason on a submitted permit.

As International, State, Premier Cricket and VSDCA players are generally ineligible to represent clubs in the Cricket Victoria Statewide Twenty20 Cup, BHRDCA will allow the selection of such players however, standard BHRDCA Permit conditions apply and they must participate in grades that allow such players.

Special dispensation permits for Players falling into the above category may be made and will be dealt with at the discretion of the Permits Committee. Permits must be lodged by 12:00 p.m. Tuesday before the scheduled match.

Match Balls: Pink coloured balls, or as otherwise directed by the BHRDCA CoM. **Clubs are encouraged to have a supply of additional balls available in the event that a ball is lost or damaged, with Umpires and/or Captains agreeing on the state of the replacement Ball. If no agreement can be reached the replacement Ball shall be a new Ball.**

Equipment: The host club is required to supply stumps, bails, boundary markers, scoreboard and should have a designated area in the near the ground for both Home & Away teams to expedite entry/exit from the field. Players are to arrange their own drinks. Stumps bearing coloured club or sponsors logos are permitted.

Coloured pads or pad covers are permitted so long as they are a club colour matched to the playing attire.

Playing Uniform: Competing clubs may wear their regular cricket uniforms or may use coloured clothing, as approved prior by the BHRDCA CoM, provided all players are wearing the same playing attire. The sponsors brand marks and club logos are permitted. Names and Numbers on playing shirts are permitted, only surnames may be used, **NOTE: Nicknames are not permitted.**

Umpires: Where available an Umpire(s) will be appointed to each match. Umpires' Fees shall be fixed at **\$80 each (\$40 per Umpire/Club)** when **two Umpires** are appointed or **\$100 (\$50 per Club)** if **one Umpire** is appointed to the match.

Scorers: Each team will need to provide a scorer. The BHRDCA scorebooks should be used, however **Live scoring / eScoring** is permissible, provided at least one scorebook is also maintained at a match.

Match Reports: The home team is required to submit the scores in accordance with the standard **Competition Management Platform** reporting process (i.e. within 24 hours of the completion of the match). The away team confirms the match scores (within 48 hours of the completion of the match). Each team is required to enter their player statistics. Failure to comply with these requirements and timelines may incur a penalty fee. **(Refer BHRDCA Senior Competition Rules – Rule 15. Schedule of Administration Fees)**

Awards: The following awards will be presented at the conclusion of the Twenty20 Final in each grade...

- BHRDCA Premiership Flag
- 13 Premiership Medals to the winning team

Additional medallions may be purchased by the winning club through the BHRDCA Secretary.

Attachment 3A – EXTREME CONDITIONS POLICY

Reference Service – The CoM shall identify and advise a specific reference service at the commencement of the season e.g. 3AW/774 News service at 7:00 a.m. from which the predicted forecast temperature is considered as a basis for the implementation of this policy.

The BHRDCA Extreme Conditions Policy shall be implemented by the Committee of Management when the temperature for **Melbourne** is forecast by the Bureau of Meteorology (**Phone 1196**) to reach **40°C** during the normal hours of play in the Senior Section i.e. **Senior Grades** participating in Daylight matches between 1.00 and 6.00 p.m.

Senior Grades: 1.00 p.m. to 6.00 p.m.

Twilight Grades: 5.00 p.m. to 8.15 p.m.

Junior Grades: 8.30 a.m. to 11.45 a.m., and

The policy applies to **Junior Section Grades** when the temperature for **Melbourne** is forecast by the Bureau of Meteorology to reach **38°C** during the normal hours of play i.e. **Junior Section Grades** participating in Twilight matches between 5.00 and 8.15 p.m. and for Daylight matches between 8.30 and 11.45 a.m.

The policy applies to **Veteran Section Grades** when the temperature for **Melbourne** is forecast by the Bureau of Meteorology to reach **38°C** during the normal hours of play i.e. **Veteran Section Grades** participating in Daylight matches between 1.00 and 6.00 p.m.

The decision to cancel any play shall be made at or before **7.00 a.m.** for Saturday/Sunday morning matches, **10.00 a.m.** on the morning of Saturday/Sunday afternoon matches and 1.00 p.m. **2.00 p.m.** for Twilight matches

Should the policy be implemented, notification shall be via the BHRDCA SMS Text Service, posted on the BHRDCA Website and via announcements on the BHRDCA Social Media network.

Drinks – Umpires, Captains (where Umpires are not present) for Senior and Veterans Grades; Team Managers and Coaches for Junior Grades may allow additional drink breaks without concern as to the extra time beyond the scheduled playing time. Any participant may call for additional drink breaks whilst batting, fielding or umpiring, although every effort should be taken to minimise when this occurs.

Bowlers may have drinks placed on the boundary line, which can be consumed at the completion of an over without disrupting play. It is recommended that when the Temperature exceeds 34°C that a minimum of two drinks breaks per session are taken.

Tea Break – Umpires, Captains (where Umpires are not present), Team Managers and Coaches in Junior Grades may schedule a longer break and play additional make up time after the scheduled time for stumps. This is entirely at the Umpires', Captains' and or Team Managers/Coaches discretion, but a consensus decision must be reached.

Player Rotation – After notifying their Captain and an Umpire (if present), a player may remove themselves from the field at any time for reasons of heat stress. If a team has more than the named eleven players, they may, after notifying the Umpire, rotate fieldsman to rest players in extreme conditions. Umpires and Captains in afternoon matches are to pay particular attention to juniors who have played cricket earlier in the day, for signs of heat stress.

Heat Stress - Any player observed to be suffering from heat stress is to be sent from the field by the Umpire, Captain or Team official immediately.

Shade – Clubs should provide shaded areas where the batting team, spectators and scorers may shelter.

Sun Protection – Players are reminded of the need for frequent applications of sunscreen and the use of long sleeved shirts to reduce exposure to the sun. Hats are an essential item and wide brimmed style is recommended, particularly on sunny days.

Lightning – Where an Umpire or Captain (where Umpires are not present) or a Team Official believes that lightning poses a threat to the safety of participants, play shall be suspended, and safe shelter taken. Any time lost for lightning shall be treated in the same manner as for extreme conditions.

Umpires – Where an Umpire feels that their health or judgment may suffer because of extreme conditions, they may take a break from their duties, after arranging an appropriate substitute.

First Aid – Club First Aid Kits must include aids for the treatment of heat affected participants. Every endeavour should be made to have a club member, who is properly skilled in the treatment of heat affected people, at home games. A notice should be prominently included in or displayed near the first aid kit, explaining treatment of heat affected patients.

Early Finish – If the extreme conditions exist in Senior or Veterans matches, both Captains, by agreement may call the game off early after there has been a first innings result, however, both Captains must agree to such an early finish.

Attachment 11 – YELLOW & RED DISCIPLINARY CARD

Disciplinary cards are used in many sports as a means of warning, reprimanding, or penalising a player, coach, or team official. The cards are most often used by **referees** or umpires to indicate that a player has committed an offence. The official shall hold the card above their head while looking or pointing towards the player that has committed the offence. This action makes the decision clear to all players, as well as spectators and other officials in a manner that is language-neutral. The colour or shape of the card used by the official indicates the type or seriousness of the offence and the level of punishment that is to be applied. **Yellow and Red disciplinary cards** are the most common, typically indicating, respectively, cautions and/or **dismissals** from a playing arena.

In Grades & matches where a BHRDCA Umpires Association Official(s) is/are appointed, any such Official(s) shall be the arbiter of...

- a. Actions that constitute Unsportsman like behaviour
- b. Actions that bring the game into disrepute

YELLOW CARD

1. If, in the opinion of the appointed Official(s), a team member transgresses in a manner where his actions can be considered to be that described under (a) and/or (b) above, the Official(s) may indicate a **Yellow disciplinary card** has been earned by that team member. The Official(s) shall warn the offender that their actions contravene the Spirit of the game and have resulted in a **Yellow card** penalty.
2. If, in the opinion of the appointed Official(s), the same team member transgresses again in a manner where their actions can be considered to be that described under (a) and/or (b) above, the Official(s) may indicate a **second Yellow disciplinary card** has been earned by that team member. The Official(s) shall warn the offender that their actions contravene the Spirit of the game and have resulted in a second **Yellow card** penalty.
3. If, in the opinion of the appointed Official(s), the same team member transgresses again in a manner where his actions can be considered to be that described under (a) and/or (b) above, the Official(s) may indicate a **Red disciplinary card** has been earned by that team member and he shall be automatically referred to the Tribunal, with the Team's Captain also automatically receiving a first **Yellow card** issue.

RED CARD

1. If, in the opinion of the appointed Official(s), a team member excessively transgresses in a manner where his actions can be considered to be that described under (a) and/or (b) above, the Official(s) may indicate a **Red disciplinary card** has been earned by that team member. The Official(s) shall warn the offending individual that their actions contravene the Spirit of the game and have resulted in a **Red card** penalty.
2. That team member shall be **reported and** immediately referred to the BHRDCA Tribunal, with the Team's Captain also automatically receiving a **Yellow card** issue.

OTHER

If an individual Team member, during the season, receives **three separate Yellow cards in the same season**, they shall automatically be suspended for the duration of the next fixtured BHRDCA match (any Two or One Day match) and cannot participate in any other BHRDCA Competition matches (e.g., T20 match, BHRDCA Representative match etc. that may be scheduled during that suspension period) **until the suspension is fully served**.

Should a T20 Guest player (i.e. a player not registered with a Club for BHRDCA Saturday cricket), incur three separate Yellow cards in the same season, they shall automatically be suspended for the **next fixtured T20 match**. Any further **Yellow card** incurred by the same individual Team member shall result in a further automatic One match suspension

If a single team receive **five separate Yellow cards** throughout the season the Team's Captain shall automatically be suspended for the duration of the next fixtured BHRDCA match (any Two, One Day or T20 game) and cannot participate in any other BHRDCA Competition matches (e.g., T20 match, BHRDCA Representative match etc.) until the suspension is fully served.

Guest players participating in BHRDCA competition matches e.g. T20 matches, are also subject to this disciplinary process.

Where an Umpire has issued a **Yellow or Red card** and circumstances occur outside the disciplinary process outlined above, the offender and/or his Captain and Team, shall be dealt with by the BHRDCA Committee of Management or if required, BHRDCA Tribunal.

All Yellow disciplinary cards incurred throughout the **Home & Away Season** are reset at the conclusion of the current season and do not carry over to the following season, while any suspension applied by the BHRDCA Tribunal subsequent to a **Red disciplinary card** being issued, must be fully served until the player is eligible to return to play on the Round and/or Date specified by the BHRDCA Tribunal.

All Yellow Disciplinary cards incurred throughout the Final Series, carry over to the following season, where a Tribunal has not already sat and/or determined a suspension outcome for the disciplined member

The BHRDCA appointed Official shall advise on their Umpires Report the impost of any **Yellow/Red** cards within **48 hours of the matches conclusion**.
