**All Clubs** with Players dropping **more than the grades identified above** will be required to comply with the Permit Rules per normal procedures outlined in **BHRDCA Senior Rules (Attachment 7)**

Failure to lodge a Permit for such players outside those exempt in the table above may cause the players team to forfeit their match and any qualification gained from such a match (BHRDCA Rule 10(b) ii).

We also understand that a BYE in grades adds to the permit applications in terms of volume.

The intent is not to penalise sides but to process Permits quickly, so the more detail provided on a Permit application the better and the earlier they are lodged the better also.
